

# **S**pring Portraits are in for WHEELER MIDDLE SCHOOL!

To celebrate spring this year we will be offering a UNIQUE spring portrait program. Please send no money now. You will be able to review and purchase a selection of portraits in the convenience of your home by going to [www.proforders.com](http://www.proforders.com) or scanning the QR code above. Enter your email with your child's student ID number with the letters WS at the end.

You will see what your child looks like in five different backgrounds. The first five are for head and shoulders and the next five are for half body pose. Select the background and pose you wish. We are thankful for serving you.

**Any question contact:  
*Portraits of Hawaii at
